November Newsletter

We are making headway with our new website. We will be having a tutorial session with the webmaster this week to learn how to run the site.

This is a short notice but bear with me. Our meeting will be at 0900 this coming Saturday. Hope you had a chance to go to the Demo on Monday.

Bill Bryan will be doing a demo on how to use different tools for certain tasks. Jeff has asked you to bring in your most unusual tool that you use and tell us what you do with it.

The challenge for this month was to create an angel and a salt shaker. We hope that you will participate in this challenge to hone your skills.

If things go as expected the shirts will be available for you to look at some of you have ordered yours already, just pay Jeff.

We will be discussing the Christmas party and what will be happening, as you know the party will be at the Bayshore Condominium in their club house on the 15th of Dec. We will have direction for you.

Ralph will be cooking the BBQ and the rest will bring a covered dish, we will have a signup sheet at this meeting.

In January we are scheduled for election of officers, so we will have the nominations in December. If you would like to be an officer in the club just let us know.
