

Artistic Woodturners' Christmas Social

Ed Rose opened the meeting and discussed the happenings of 2021, which began with no meetings, followed by zoom meetings, followed by masked meetings to face to face meetings as everyone got vaccinated. We were fortunate to have such a spacious indoor meeting area. Ed thanked Jim Mencum for stepping up to succeed him after three years of presidency. He expressed hope that members who had fallen away during the pandemic would soon feel comfortable enough to return.

Our food was the club's first ever catered meal -- by Sonny's Barbecue. Everyone ate their fill of pulled pork, chicken, beans, mac and cheese, cole slaw, redneck egg rolls, topped off by banana pudding. All old fashioned Southern comfort food.

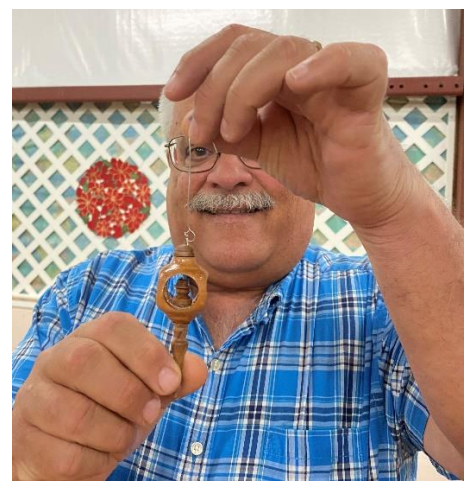

An exchange of personally turned Christmas ornaments followed the meal. There was an extraordinary variety of ornaments, all of exceptional quality. Some packages (all in anonymous brown paper bags) contained multiple ornaments.

Our next meeting will be Saturday, January 8, 2022. This will be a sawdust session, geared toward novice turners, with multiple lathe stations. Beginners, bring your tools.

Please monitor your emails at least weekly. There will be a survey sent out next month by email and everyone is requested to respond.

2022 dues should be paid in January. If unpaid by time of February meeting, you will be delinquent. Our website is undergoing professional renovation. You will be informed when it is again operative. Thank you for your patience.
