

Sawdust Session

Wig Stands

October 25, 2025

On October 25, 2025, a saw dust session was held at Leland Leonard's Shop. 13 members were in attendance. Members turned wig stands. These stands are going to be donated to a local cancer center. Special shout out to Leland for hosting this event at his shop, Leland had everything set up, provided wood blanks to turn and was a very helpful host.

If you have any wig stands or wish to make one and donate it, please bring it to the November 8th meeting. We will be making plans to present the stands in person at the cancer center in the near future.

Members present were: Host Leland Leonard, Jim Mencum, Dick Johns, Earl Rennie, Neil McWilliams, Kim Huggins, Bruce Shue, Nic Sherous, Jeff Olive
